SURF & LEARN

About us

Lost Shore Surf Resort is a world-class surf facility boasting the ability to generate up to 1,000 waves per hour ensuring endless thrills for surfers of all levels! Our mission is to provide diverse opportunities for a comprehensive and enriching educational experience. Utilising our distinctive environment as a dynamic learning platform, we are committed to enhancing the educational journeys of school pupils across the globe.

"EUROPE'S LARGEST WAVE POOL"

What's on Offer

Lost Shore is brimming with learning opportunities. We have designed several packages to encourage students to take part in hands-on and unique learning experiences that embrace learning and surfing. Our primary learning focuses include STEM innovation, wellbeing, and, of course, learning to surf!

ESG & ACCESSIBILITY

ESG | Environmental, Social, and Governance

At the heart of Lost Shore's mission and values is the desire to generate a net positive impact on society. This is based on the principle that while we will not always be perfect, we will measure our impact, whether positive or not, and continue to find ways to improve.

- **Our resort build has** transformed the disused Craigpark Quarry into a 60-acre extensive grassland, with new wetland, woodland and grassland habitats and a substantial increase in biodiversity, including soil creation, re-profiling and an entirely new landscape.
- **To power the site**, we are using a green energy tariff. This means that all the electricity we use is produced from renewable sources.
- **The Wavegarden Cove** is the most energy-efficient technology in the sector – using less energy than a single chair lift at a ski resort.
- **We are using a water source** from the Union Canal, that after being processed with Wavegarden's Water Treatment Technology will be classed as drinkable water.
- **When we occasionally empty the Cove** for maintenance works, we will return clean water to the canal which will help oxygenate it.

Accessibility

Since its inception, Lost Shore Surf Resort has held inclusivity and accessibility as key guiding principles. Surfing has traditionally been a sport which has had many barriers to participation, both physical and perceived. Lost Shore is committed to identifying those barriers and removing them wherever possible.

- **Accommodation** – 6 fully accessible Waterfront Lodges, one with a hoist for easier bed access.
- **Pathways** – wide, gentle gradient tarmac road leading down to the main areas beside the wave pool.
- **Buildings** – single storey buildings with shallow ramps, wheelchair accessibility, QR code ordering, gender neutral toilets, and baby change facilities.
- **Indoor Heated Changing Area** – accessible showers, toilets, changing area, baby change facilities, family changing area and private cubicles.
- **Waterfront Area** – smooth tarmac beach front with minimal gradient, access ramps, inclusive and para surfing sessions in collaboration with Inclusive Surfing Scotland.
- **Commitment to Accessibility** – shared focus on removing physical and perceived barriers to surfing and an ongoing process to identify and improve accessibility areas.
- **Parking** – 16 blue badge parking spaces at the main entrance, along with coach/minibus spaces and EV charging.

STEM LEARNING EXPERIENCES

STEM Excellence: Ride The Waves Of Innovation

At Lost Shore, we embody STEM (Science, Technology, Engineering, and Maths), providing an exceptional environment for fostering a passion for these disciplines. Our tailored workshops, in alignment with the Scottish Curriculum for Excellence, offer a unique learning experience to schools. From exploring forces on surfboards to delving into sustainability in surfing, coding, the wave equation, and more, our programme provides opportunities to develop meta-skills and apply knowledge to real-world situations.

Minimum 8 persons and maximum of 32 persons per booking. Please note that surfing can only take place in daylight hours.

Example Itinerary:

09:30	Arrive at Lost Shore
09:45	Tour of Lost Shore Surf Resort
10:00	Session 1
11:00	Break
11:15	Session 2
12:30	Lunch (Event studio)
13:00	Session 3
14:00	Depart Lost Shore

Choose a workshop from the choices on the next page. The STEM Water Safety module can be added to your day, at no additional cost (wetsuits provided). For more information, speak to a member of the Sales and Events Team.

SCIENCE OF SURF

Develop knowledge and understanding of the forces that affect the sport of surfing. Investigate how frictional forces are used to ensure you can ride a great wave. Pupils will learn about the impact that surfing has on the environment and think critically about what alternatives there may be to help protect our planet.

SCN 2-08B
SOC 2-08A
TCH 2/3-06A

CHEMISTRY OF THE COVE

Pupils will use sampling and data collection techniques to investigate the water at Lost Shore and the importance of monitoring it. Discussions about water quality will expand to our oceans and pupils will learn about the impact of plastics and other pollutions on the health of our oceans.

SCN 2-20B
SOC 2-08A

LOST SHORE IS STEM

The construction of Lost Shore is an incredible feat. Pupils will learn about some of the considerations that influenced the development of Europe's biggest inland surf resort. They will identify all the places and jobs where STEM can be found at Lost Shore. We will discuss sustainability targets and the positive impact Lost Shore wants to have on the environment, economy and community.

CODING THE WAVE

The waves at Lost Shore are incredible. We can generate up to 1000 waves an hour. Pupils will develop their understanding of transverse waves using our unique cove as a learning platform. They will develop code, use scientific enquiry and investigation skills to help run their own mini Lost Shore.

STEM WATER SAFETY

Pupils will get wetsuits on and learn water safety skills in our bay. Whilst developing these all-important water safety skills they will also learn the physics behind rip currents and floating to live, the biology behind cold water shock and develop critical thinking when faced with an emergency.

ADDITIONAL MODULE – 1 HR

SURF LESSON

Ride, Learn, Conquer: Elevate Your Surfing With Lost Shore

Join us for a memorable school surf day at Lost Shore, where your pupils are in for an unforgettable experience. All they need are towels and swimsuits – we take care of the rest, providing top-notch surfboards and wetsuits. The day features a 90-minute coached surf session in the bay. Originally designed as a half-day, it can be extended upon request to a full day, complete with an extra 90-minute surf lesson. Get ready for a day filled with waves, fun, and learning.

Minimum 8 persons and maximum of 32 persons per booking. Please note that surfing can only take place in daylight hours.

Example Itinerary:

09:30	Arrive at Lost Shore
09:45	Collect your wetsuit & get changed
10:30	Meet your coach, health & safety briefing
12:00	Surf ends, debrief with coach
12:00	Get changed and return wetsuit
12:30	Depart Lost Shore

SURF COURSE

Surf, Learn, Thrive: Master The Waves – Discover Yourself

Embark on a transformative 6-week journey with our comprehensive surfing course, guiding pupils from absolute beginners to mastering Lost Shore surf levels 1 and 2. Led by experienced instructors at an 8:1 ratio, students will enjoy six 90-minute lessons, with all necessary equipment provided—just bring a swimsuit and a towel.

Throughout the course, participants will not only hone their surfing skills, progressing from land-based lessons to catching waves in an upright position, but also acquire essential knowledge about the ocean and personal safety. Topics covered include understanding rip currents, the body's response to cold water, and the use of signal for communication.

Beyond the waves, this programme emphasises the identification of metacognitive skills needed to achieve surfing milestones. Students will engage in discussions on how these skills can be seamlessly transferred into their daily lives, whether navigating the classroom, workplace, or home environment.

Minimum 8 persons and maximum of 32 persons per booking. Please note that surfing can only take place in daylight hours.

Example Itenerary:

15:30	Arrive at Lost Shore
15:45	Collect your wetsuit and get changed
16:30	Meet your coach, health & safety briefing
18:00	Surf ends, debrief with coach
18:00	Get changed and return wetsuit

WATER SAFETY

Safety First, Fun Always

We are excited to welcome guests of all ages to Lost Shore Surf Resort, where fun and surfing come together in our Cove. Our resort offers a safe, controlled environment for everyone to enjoy. We are dedicated to educating our surfers, equipping them with the skills and knowledge they need to navigate open water safely. Our Water Safety module is designed to teach essential open-water safety techniques. The one-hour session includes 20-30 minutes in the water, with wetsuits provided for all participants. Please speak to a member of the team for more information.

Minimum 8 persons and maximum of 32 persons per booking. Please note that surfing can only take place in daylight hours.

Example Iternarary:

09:00	Arrive at Lost Shore
09:15	Collect your wetsuit and get changed
10:00	Meet your coach, health & safety briefing
11:00	Water Safety Session end, get changed & hand back wetsuit
12:00	Depart Lost Shore

SCHOOL WELLBEING DAY

Surfing Has The Potential To Improve The Health Of a Nation.

Our Schools Wellbeing Day is meticulously designed to harness the therapeutic advantages of surfing. This unique day features a coached surf session in the bay, blending physical activity with mental wellbeing. Introducing a positive psychology approach, we guide participants through evidence-based breathing exercises, cultivating essential skills and insights to educate young minds about the importance of mental wellbeing. Our comprehensive follow-up materials ensure that the conversation around wellbeing extends beyond your visit to Lost Shore.

Developed with Dr Jamie Marshall

Minimum 8 persons and maximum of 32 persons per booking.
Please note that surfing can only take place in daylight hours.

Example Itinerary:

09:00	Arrive at Lost Shore
09:15	Knowledge Session 1 (Event Studio)
09:45	Collect your wetsuit and get changed
10:30	Meet your coach and start lesson
12:00	Surf ends, get changed and hand back wetsuit
13:00	Lunch (Event studio)
14:00	Knowledge Session 2 (Event Studio)
14:30	Depart Lost Shore

WORKING SURF DAY

Work. Play. Thrive

The working surf day package allows you to make the most of dedicated space for you to lead your own learning/revision session, complemented by a confidence boosting surf lesson. This perfect blend of 'work and play' ensures young learners leave happy, motivated, and empowered.

Minimum 8 persons and maximum of 32 persons per booking. Please note that surfing can only take place in daylight hours.

Example Itinerary:

09:00	Arrive at Lost Shore
09:15	Morning work session in workspace (Event Studio hire)
11:30	Lunch (Event Studio)
12:00	Collect your wetsuit and get changed
12:30	Meet your coach, health & safety briefing
14:00	Surf ends, get changed and return wetsuit
14:30	Depart Lost Shore
